The Prime Minister announced on 18<sup>th</sup> October that:

- Auckland would remain in level 3 lockdown for 2 more weeks. This decision will be reviewed on Monday 1<sup>st</sup> November.

Minister Hipkins announced on 20<sup>th</sup> October that:

- To support students in their preparation for NCEA young people in Years 11 to 13 in Auckland will return to school for face-to-face onsite teaching from **Tuesday 26 October**.

As our students are not involved with NCEA or external exams this does not apply to us. This means that all of our learners will remain at home and continue with their Learning from Home programme for the weeks Monday 18 October – Monday 1 November

### Learning From Home:

All class teachers will be making contact with parents, whanau, care-givers to check in with how you are going. Please talk to your teacher about how your child might best engage in learning activities at home, whether the best support is via Zoom or other meetings, etc.

**Please note** that at any time the situation might change if the guidance we receive from the Ministry of Education changes. We will update you as more information evolves across the coming days / weeks.

Stay safe, Stay in your bubble and Be Kind,

Kia Kaha.

Kathy Davidson, Principal / Tumuaki
