

Kia ora whanau

We have more confirmed cases of COVID-19 in our Sir Keith Park School community. The cases were at school Friday 11th; Monday 14th; and Tuesday 15th February.

We have sent an email to all close contacts of these cases with the steps to take. We will continue to notify you in this way as necessary.

[If you have not received an email from the school](#), then your child is not a close contact and can still come to school as normal.

It is clear that as cases increase in the community we will continue to get cases here at school and we will continue to work with the Ministry of Education to ensure that we are responding appropriately to these cases. The health and wellbeing of our children, staff and community remains our top priority.

What you need to do

- You and your whānau should watch for symptoms
- If any develop, get tested immediately
- Then, stay at home until you receive the result
- If your whānau hasn't been vaccinated, please do so as soon as possible. You can book on-line at bookmyvaccine.nz or by calling 0800 28 29 26. It's free.
- If your child gets a Positive result, please forward it to the school -0272754456

What we're doing

- Sir Keith Park School will stay open
- We have appropriate public health measures and cleaning procedures in place

Symptoms of COVID-19

- A new or worsening cough
- Sneezing and runny nose
- A fever
- Temporary loss of smell or altered sense of taste
- Sore throat
- Shortness of breath

Less common symptoms include diarrhoea, headache, muscle aches, nausea, vomiting, malaise, chest pain, abdominal pain, joint pain, or confusion/irritability.
