Kia ora

We have been notified today that we have two confirmed cases of COVID-19 in our community. The health and wellbeing of our children, staff and community is a top priority, and we have been working with the Ministry of Education to ensure we are responding appropriately.

Both the cases were at school Tuesday 8th February and Wednesday 9th February.

We have sent an email to all close contacts of these cases with the steps to take. If you have not received an email then your child is not a close contact and can still come to school as normal.

What you need to do

- You and your whānau should watch for symptoms
- If any develop, get tested immediately
- Then, stay at home until you receive the result
- If your whānau hasn't been vaccinated, please do so as soon as possible. You can book on-line at bookmyvaccine.nz or by calling 0800 28 29 26. It's free.

What we're doing

- Sir Keith Park School will stay open
- We have appropriate public health measures and cleaning procedures in place

Symptoms of COVID-19

- A new or worsening cough
- Sneezing and runny nose
- A fever
- Temporary loss of smell or altered sense of taste
- Sore throat
- Shortness of breath

Less common symptoms include diarrhoea, headache, muscle aches, nausea, vomiting, malaise, chest pain, abdominal pain, joint pain, or confusion/irritability.
