Sir Keith Park School
(including the satellites classes)

Will Re-open
Wednesday 15th February, 2023

We really hope that this message finds you all in good spirits, and that you and your property have not experienced significant damage from Cyclone Gabrielle. Our thoughts go out to friends, family, and everybody who has suffered further because of this extreme weather.

We have done a complete site check (as have our host schools) and believe it is safe to re-open our school for learning tomorrow.

Mangere College satellite students will be learning at base school for tomorrow, then back at their satellite class on Thursday. Waterlea, Robertson Road, and Bader satellite classes are re-opening tomorrow.

The taxi company has been informed.

There is still a lot of strong wind out there tonight, so continue to be safe.

We look forward to welcoming **all** students back to school tomorrow.

Ngā Mihi, Meitaki Ma'ata, Fa'afetai Tele Lava, Mälö 'Aupito and Thank You for understanding
